

# LMFSC Windjammers

SYNCHRONIZED SKATING

Hello!

We are the Windjammers, one of the Twin Cities' premier Synchronized Skating teams. Synchronized Skating is one of today's fastest growing sports! It is a highly technical form of skating characterized by speed, precision, intricate formations, elaborate footwork and breathtaking transitions performed by teams of 8-20 athletes. In the Midwest alone, more than 200 teams compete at levels ranging from beginner to collegiate. Although Synchronized Skating is not currently an Olympic event, U.S. Figure Skating is preparing for the day that it is!

The Windjammers are part of the Lake Minnetonka Figure Skating Club and compete on 5 teams made up of 65 skaters, ages 8-18, from throughout the west metro area. The Windjammers compete locally and across the Midwest, frequently achieving medal status. During the 2008-09 season, Windjammers teams competed at the Midwestern Championships in Colorado, and two teams qualified for the U.S. Nationals in Maine! The 2010 U.S. Nationals are being held in Minneapolis – we plan to be there!

The Windjammers strive to create a program in which skaters are inspired to challenge themselves both individually and as a team, while enjoying the benefits of a competitive team sport. The recognition by both Hopkins and Minnetonka School Districts under their respective Varsity Lettering Programs further acknowledges the commitment, skill level and competitive nature of this program.

Please consider supporting the **Windjammers** at one of the following levels:

*~All donations are tax deductible~*

**Mini-Mate Level: (\$250+):**

Name listed on club website and in the annual Minnetonka ice show program.
